Financial Policy

Thank you for choosing Stephenville Medical & Surgical Clinic (SMSC), and/or Community Health Clinic (CHC), and/or Eye Care Consultants (ECC), for your health care needs. We are committed to delivering outstanding health care services to you, our patient. As a part of our professional relationship, it is important that you understand our financial policy.

All patients must read & sign this form prior to receiving services.

- **It is your responsibility to provide us with your most current insurance information.**
 - o If you fail to provide accurate insurance information in a timely manner, your insurance company may deny the claim. If the claim is denied, you are financially responsible for services rendered.
 - o We must emphasize that, as medical providers, our relationship is with you, the patient, and not your insurance company. Your insurance is a contract between you, your insurance company and possibly your employer. It is your responsibility to know and understand the level of services covered by your insurance company.
 - o We may accept assignment of insurance after verification of your coverage. Please be aware that your insurance company may not fully cover some, or perhaps all, of the services provided. **You are financially responsible for services not considered a benefit by your insurance company.**
 - o Before receiving services, verify we are participating providers for your insurance plan. It is also necessary that our primary care physician is listed as your primary care provider with your insurance company, if required by your contract with your insurance company. In the event we are not participating providers or our physician is not listed as your primary care provider with your insurance company, we will file the initial claim as a courtesy. Payment, however, is due in full at the time of service.
 - o Copayments, coinsurance and/or deductibles are due at the time of service. We may estimate the amount you owe based on information we received from your insurance company. You are responsible for paying the full amount determined by your insurance company after your claim is processed – **regardless of our estimation.**
 - o If you do not have insurance, a discount for professional services may be given if 1) your balance is paid in full on the day services are rendered and 2) there is no outstanding balance on your account. Discount does not apply if payment method is CareCredit.
- **It is your responsibility to provide us with your most current billing information.**
 - o You must provide your most current billing address, all available telephone numbers and other contact information. **If your address or contact information changes, it is your responsibility to provide updated information.**
 - o We will send a statement (to the billing address you provide) notifying you of balances owed. If you have any questions or dispute the validity of the balances, it is your responsibility to contact our business office within 30 days after receipt of the initial statement. You may call 254-968-6051 ext. 4204.
 - o **Payment in full is due upon receipt of the statement.** Patient balances not paid in full within 30 days of the statement issue date are deemed past due.
 - o If you are not able to pay the balance due in full, contact our billing office to discuss a payment schedule. Any late fees already incurred on past due balances will be included in any mutually agreed upon arrangements. If you fail to make payments as agreed upon, your account may be referred to a professional collection agency and/or attorney. **You will be responsible for all collection costs incurred, including attorney’s fees and court costs if applicable.**
 - o In the event you submit payment by check and the bank returns the check unpaid for any reason, we will add \$30.00 to your original balance. In addition, we may seek additional legal remedies provided to us under Texas law.
 - o **Failure to keep your account balance current may require us to cancel or reschedule your appointment.**

Full payment is due at time of service. We accept cash, check (with appropriate ID), debit/credit card, & CareCredit. I have read and understand this Financial Policy.
